Course Selections:

Class	Subject	Course Title	Level	Credit
1	English	English IV or AP Language and Composition		1
2	*Math			1
3	Social Studies	AP American Government or Soc Studies Elective		1
4	Religion	Religion IV	ACP	1
5	Elective 1 (*Science?)			
6	Elective 2			
7	Elective 3			
	Alternate 1			
	Alternate 2			
	Alternate 3			

Math, Science, and all AP/Honors classes require a teacher recommendation.

When scheduling, priority is given to the five core subjects (English, Mathematics, Science, Social Studies, and Religion) followed by electives in the order you have indicated in PowerSchool. While every effort is made to provide students with their first choice of courses, this is not always possible. Thought and consideration should be given to the selection of three alternate courses, as students may be placed in one of their alternates.

Please note, college-bound students should schedule at least 4 core classes for their senior year, 5 core classes is preferred for more competitive schools. A core class is an English, Math, Social Studies, or Science course.

Please see your counselor with any questions you have during the course selection process.
