Each senior must participate in one of the above 3 day/2night La Salle High School sponsored retreat options during their senior year.

We are super excited to offer these transformative, Christ-centered retreat options with our seniors. During the week of August 23-27, 2021 we will post the list of seniors and their scheduled senior retreat to the lasallehs.net/faith/retreats/ page. Please note, students who have applied to be a Kairos retreat leader are double listed, as both a Kairos retreat leader or on one of the other retreat options in the event the Kairos retreat leadership doesn't work out for him. Once Kairos leader interviews are completed by early September, we will know for certain the senior retreat schedule for each senior student.

Finally, the retreat fee for all of these retreat options, including all expenses associated with the 2 day/3 nights of transportation, food, lodging and retreat program materials is \$350 per student. This fee will be billed via the FACTS student billing system on **Friday, September 3** and you will have several months to complete your son's retreat payment. Please know that there is retreat financial aid available for those who might be in need. For more information, please contact Chris Winiarski or Angie Frigge in the Campus Ministry office.
