Tony's Fight on the Court - 11/19

In 2016, Tony Even '98, was diagnosed with Hodgkin's Lymphoma stage 3ES. The first Tony's Fight on the Court fundraiser was organized by Tony's family and friends to help alleviate the burden of his medical bills. The event was a success, and after undergoing many treatments, Tony is now cancer free. In appreciation, Tony and his family wanted to continue the event, but pass the proceeds on to help other deserving families dealing with a major illness like cancer. This year's proceeds will benefit the Welter family. Sam Welter, age 9, was diagnosed with a form of viral meningitis in late August. He spent weeks at Cincinnati Children's in the PICU, where he had to be intubated and sedated until his medical team was able to reduce the swelling on his brain. Thankfully, Sam overcame the life-threatening virus and was discharged from the hospital recently, but will undergo therapy. A portion of the proceeds will also go to the Make-A-Wish Foundation, the Leukemia and Lymphoma Society and a scholarship endowment at La Salle High School. Please [click here](#) to sign-up your third-eighth grade student. Registration ends **November 11**.
