Trap by Stephen Gregg - 4/7 - 4/9

We are excited to share the [ticket link](#) for our spring performance of *Trap* by Stephen Gregg, produced by special arrangement with [Playscripts Inc.](#) Tickets are \$10 for students and \$15 for adults.

Show dates are:

- April 7 at 7:30 pm
- April 8 at 7:30 pm
- April 9 at 7:30 pm

An incomprehensible event: every person in the audience of a high school play falls unconscious--every person but one. Using interviews with witnesses, loved ones, first responders, and the investigators pursuing the case, a theatre ensemble brings the story of the strange event to life, documentary-style. But as the strands weave together into an increasingly dangerous web, it becomes clear that this phenomenon might not be entirely in the past. Unnerving, exhilarating, and wildly inventive, you've never walked into anything quite like *Trap*.

Passion Play - 4/12 & 4/13

Our annual production of the *Passion Play* will be **April 12 and April 13, 2022 at 7:00 pm**. The doors will open at 6:15 pm. We will be accepting donations at the door in lieu of tickets. Donations will benefit the Brent Kroger and Anna Kroger Sock Drive during the April 12 performance and will benefit the Pray, Hope, Believe Foundation on April 13.

Vaccine reminder for parents of class of 2022

Ohio's immunization law requires that all students entering 12th grade must have received two (2) doses of the MCV4 (meningococcal serogroup A,C,W and Y) vaccine (for Meningitis).

Please note:

- * The second dose must be given on or after the 16th birthday
- * There must be at least 8 weeks between the first and second dose
- * If the first dose was given on or after the 16th birthday, a second dose is not required.

Your current 11th-grade son will need to show documentation of having received these immunizations by the time he returns to school in the fall. You are receiving this email now so that you may notify the school if your son has already received the Meningitis vaccine(s), or to make arrangements for your son to receive the immunizations before the "rush" this summer. **If your son has already received the vaccines please send an updated immunization record to the nurse either through email sgeoppinger@lasallehs.net or fax to 513-741-2357.**

If your son has not already received the vaccines, please contact your son's doctor/clinic to schedule an appointment. The Health Department provides the vaccine either free, for a nominal charge for children without insurance, or with Medicaid insurance. You may reach the Health Department at 513-946-7882 for additional information and their immunization clinic schedule.

If you have any questions please contact school nurse, Susan Geoppinger, directly at 513-741-2302 between 7:30 am - 3:00 pm.
