Welcome to the 2021-22 school year! We are so excited to have our students and staff return to campus. A special welcome goes to our Class of 2025 and new students who will be joining our brotherhood at La Salle High School.

Our school is guided by Jesus Christ and rooted in the teachings of St. John Baptist de La Salle. We look forward to living our mission where we prepare young men to achieve their full potential in mind, body and spirit.

We are excited to partner with you as we continue to build upon our successful tradition in academics, athletics and the arts. Our students and staff members are first-rate and some of the best around. Here's to a great year!

Live Jesus in our hearts...  
Aaron Marshall

**First day of school**

We look forward to having all of our students back in the building on **Wednesday, August 18**. School begins at 8am.

**School supplies**

Students should bring their fully charged tablets to school on the first day as well as a notebook and writing utensil. Teachers will share school supply lists with their students in each of their courses.

**Student parking passes**

Parking passes for the 2021-22 school year are on sale now. [Visit our website for additional information and payment form.](#)

**Picture day**

Picture day for underclassmen is August 23. More information will be shared as the date gets closer.

**Senior yearbook photos**

As a reminder, seniors must have their senior portraits taken by Prestige no later than December 12, 2021. Click here to review [the letter](#) and [flyer](#) you should have received directly from them earlier this summer.

**Spirit Shop sale**

Due to construction the Spirit Shop is temporarily located on the main level. Please visit by entering through the glass doors at the front of the building and come through the main office.

The Spirit Shop will be open on the following days:

- Friday, August 6, 3-6pm (15% off and Ohio tax-free weekend on eligible purchases)

- Saturday, August 7, 10am-2pm (15% off and Ohio tax-free weekend on eligible purchases)
- Tuesday, August 10, 3-5pm
- Wednesday, August 11, 12-3pm
- Thursday, August 12, 3-6pm

### Freshman orientation

Freshman orientation is scheduled for **Tuesday, August 10** from 8am - 3pm. Please review the information shared by Jake Pucci.

### From the desk of Mrs. Miller - schedules and summer work

Class Schedules for 2021-22 are available to view in PowerSchool. Please login to [PowerSchool](#) via a web browser (Chrome, Firefox, etc.) to view schedules. If your PowerSchool password has expired or you do not remember your password, you can send an email to [help@lasallehs.net](mailto:help@lasallehs.net).

These schedules are final. Students may not add courses or switch schedules. No changes will be made for teacher or period preferences.

- Every attempt was made to schedule students into primary course requests; however, alternate requests were used when necessary. Over 95% of our students were given their first choice of classes.
- The only allowable changes are those referred by a student's counselor and deemed academically valid by the Associate Principal. If you have any questions or concerns with your schedule, please reach out to [counselors@lasallehs.net](mailto:counselors@lasallehs.net).

Please remind your son(s) that this is his final reminder to make sure he has completed his summer work before school starts. [All summer assignments can be found here](#). Any questions about summer assignments should be directed to your son's teacher.

Enjoy the remainder of your summer. We are so excited to see you all on August 18!

### ACT Intensive Prep Course

This course is specially offered for seniors and juniors who will be taking the ACT on Saturday, October 23, 2021. As well, the course will prepare students for the ACT in December and February (or the SAT in November and December).

**We have found the course to be most beneficial for students who are personally motivated to devote the time required for the sessions. Test preparation is no different than any other skill: The more the student learns and practices, the better the student becomes.** Based on this premise, La Salle is offering a focused, standardized, test preparation course. Our approach involves testing, skills review, problem-solving concepts and strategies, and practice materials. (The majority of these skills and strategies can also be transferred to the SAT.)

The Fall ACT will meet on Tuesday afternoons, from 3:15-5:30 on the following dates: September 14, September 21, and September 29; October 5, October 12, and October 19.

Registration information:

1. Class size will be limited to the first 20 paid registrants.
2. Registration is open **August 17-September 7**.
3. The fee for the course is **\$375**, which also includes the purchase of an ACT textbook. If the student already owns the textbook or wants to purchase his own copy, the fee would be \$350.
4. If there are still openings, late registrations will be accepted with the same fee of \$375, but the student will need to purchase his own ACT book as the texts will have already been ordered for the course.
5. The entire fee must be submitted before the student will be allowed to attend the course.
6. The student must personally register online for the actual ACT and SAT tests as these require credit card and personal information.
7. Students who have previously taken our course may attend again without charge, but they must register. Please contact Mrs. Moroney directly at [kmoroney@lasallehs.net](mailto:kmoroney@lasallehs.net).

### Setting up your Cafeteria Account

All families are asked to set up an account for their student so that they can make purchases in the cafeteria using a cashless system with their assigned PIN number. Enrollment is easy!

1. Go to [www.MySchoolBucks.com](http://www.MySchoolBucks.com) and register for a free account.
2. You will receive a confirmation email with a link to activate your account.
3. Add your student(s) using their school name and student ID.
4. Make a payment to your student's account with your credit/debit card or electronic check. *A program fee may apply. You will have the opportunity to review any fees and cancel if you choose before you are charged.*

## Nurse's Office

### La Salle COVID-19 Policy 2021-2022

La Salle High School will follow current health department guidelines in regard to COVID-19 for the 2021-22 school year. We will update our policy and guidance based on changes made by local officials.

Vaccinations are strongly encouraged but not mandatory. Vaccinations can be received at Walgreens, CVS, Mercy Health, Kroger and other sites throughout the city. Most retailers offer walk-in appointments. [Please visit Test and Protect Cincinnati to find a site near you.](#)

La Salle will not require masks for on-campus and school-sponsored events. Individuals may choose to wear a mask in any setting. Parents/guardians should discuss their personal mask-wearing expectations with their son(s).

Based upon current guidance from Hamilton County Public Health:

- Fully vaccinated individuals will not need to quarantine if exposed to COVID-19 unless symptoms are present. Vaccinated individuals who test positive will need to quarantine and their close contacts will also be required to quarantine.
- Unvaccinated, unmasked individuals may need to quarantine if exposed to COVID-19. Since masks are not required, classroom quarantines for close contacts would take effect again - individuals within 6ft for 15 minutes of exposure over 48 hours are considered close contacts.

La Salle will continue to offer sanitization stations throughout our building, provide increased sanitization by our maintenance staff and maintain classroom sanitization supplies.

Students should stay home when ill.

- If a student is unvaccinated and exhibiting symptoms of COVID-19 he should seek care from a healthcare provider.
- If a student has symptoms of a gastrointestinal disorder or fever he should stay home until symptoms resolve for 24 hours.
- If a student has missed class due to illness, a note should be provided to the school nurse upon return to school.

For students missing school due to COVID-19 or a quarantine period, the regular sick policy for attendance will be followed. We are not offering online class options this school year.

**Class of 2025 vaccination records**

Incoming freshmen will need to provide a copy of their immunizations to the school nurse by the first day of school. They can be dropped off to the main office, faxed from your doctor to 513-741-2357 or emailed to the school nurse at [sgeoppinger@lasallehs.net](mailto:sgeoppinger@lasallehs.net).

---

**Vaccine reminder for parents of class of 2022**

Ohio's immunization law requires that all students entering 12th grade must have received two (2) doses of the MCV4 (meningococcal serogroup A,C,W and Y) vaccine (for Meningitis).

Please note:

- \* The second dose must be given on or after the 16th birthday
- \* There must be at least 8 weeks between the first and second dose
- \* If the first dose was given on or after the 16th birthday, a second dose is not required.

Your current 11th-grade son will need to show documentation of having received these immunizations by the time he returns to school in the fall. If your son has already received the vaccines please send an updated immunization record to school.

If your son has not already received the vaccines, please contact your son's doctor/clinic to schedule an appointment. The Health Department provides the vaccine either free, for a nominal charge for children without insurance, or with Medicaid insurance. You may reach the Health Department at 513-946-7882 for additional information and their immunization clinic schedule.

If you have any questions please contact school nurse, Susan Geoppinger, directly at **513-741-2302** between 7:30am - 3:00pm.
