Community of Brotherhood

New this year, we will have "Lancer Fridays," where **all students** can wear comfy clothes on Fridays to raise money for a cause! Every Friday, students

can pay one dollar in cash to wear gym shorts or sweatpants on the bottom, while wearing any La Salle apparel on the top. As a reminder, all students are invited to participate in Spirit Fridays, which come at no cost and allow students to wear any La Salle shirt on Fridays, including hooded sweatshirts. Paying one dollar for the Lancer Friday allows students to also be out of uniform on the bottom. The Lancer Friday one dollar must be **paid in cash** and will be collected in the courtyard lobby as students enter the building. Last week students and staff raised \$349! This Friday's theme for students at the football game vs. IMG is **JERSEY**.

Final Forms reminder

The School Handbook for the 2021-22 academic year was updated a few weeks ago with Campus Ministry fees, the shorts uniform policy dates, transcripts policies and the Physical Education waiver. Parent and student signatures for acceptance of reading the School Handbook were reset in FinalForms and an email was sent to all students and parents at that time. Both parents and students must login to FinalForms to re-sign the acceptance form for the School Handbook. If you have not re-signed the form, please use the [link to FinalForms](#) to sign the form. If you have any questions, please contact Angie Frigge at afrigge@lasallehs.net.

In this newly designed role, the ideal candidate will assist our WLSN broadcast team with the setup of equipment and the coordination of resources for athletic events, manage A/V for onsite alumni, advancement and school events and provide basic tech support, repair and maintenance for La Salle staff and students during the school day. Visit our website for the complete [job description and application instructions](#).

ACT Intensive Prep Course

This course is specially offered for seniors and juniors who will be taking the **ACT on Saturday, October 23, 2021**. As well, the course will prepare students for the ACT in December and February (or the SAT in November and December).

We have found the course to be most beneficial for students who are personally motivated to devote the time required for the sessions. Test preparation is no different than any other skill. The more the student learns and practices, the better the student becomes. Based on this premise, La Salle is offering a focused, standardized, test preparation course. Our approach involves testing, skills review, problem-solving concepts and strategies and practice materials. (The majority of these skills and strategies can also be transferred to the SAT.)

The Fall ACT will meet on Tuesday afternoons, from 3:15-5:30 pm on the following dates:

- September 14
- September 21
- September 28
- October 5
- October 12
- October 19

Registration information:

1. Class size will be limited to the first 20 paid registrants.
2. [Registration is open August 17 - September 7.](#)
3. The fee for the course is \$375, which also includes the purchase of an ACT textbook. If the student already owns the textbook or wants to purchase his own copy, the fee is \$350.
4. If there are still openings, late registrations will be accepted with the same fee of \$375, but the student will need to purchase his own ACT book as the texts will have already been ordered for the course.
5. The entire fee must be submitted before the student will be allowed to attend the course.
6. The student must personally register online for the actual ACT and SAT tests as these require credit card and personal information.
7. Students who have previously taken our course may attend again without charge, but they must register. Please contact Mrs. Moroney directly at kmoroney@lasallehs.net.

**COVID-19 updates**

Reference our quarantine guidelines [here](#). We are following the Ohio Department of Health guidance for quarantine after exposure in K-12 classroom settings. [Click here](#) for the flowchart.

Parents and guardians must keep their children home if they are feeling ill. There are two ways to avoid missing school and extracurricular activities due to quarantine: get vaccinated and/or wear a mask that completely covers the nose and mouth, at all times. The mask-wearing option does not prevent quarantine if exposure occurs at lunch or at extracurricular activities, where masks are not worn. The best way to avoid quarantine is to have your son vaccinated. For those who choose to not get vaccinated, or wear a mask, quarantine rules apply. This situation is very fluid, and can change at any time. Please work with us as we continue to focus on educating our students face-to-face this fall.

**Instrument rental night**

Instrument rental night is on Tuesday, September 7 at 6:00 pm in the band room. Please join us to get enrolled into a rental program with Buddy Rogers Music and for instrument demonstrations. This event is **mandatory** for all beginning band students, but also highly encouraged for any member who does not own their own instrument!

Our open hours for September will be Tuesdays from 10:00 a.m. - 12:00 pm and Thursdays from 4:00 pm - 6:00 pm.
