Community of Brotherhood

New this year, we will have "Lancer Fridays," where **all students** can wear comfy clothes on Fridays to raise money for a cause! Every Friday, students **can pay one dollar in cash to wear gym shorts or sweatpants** on the bottom, while wearing any La Salle apparel on the top. As a reminder, all students are invited to participate in Spirit Fridays, which come at no cost and allow students to wear any La Salle shirt on Fridays, including hooded sweatshirts. Paying one dollar for the Lancer Friday allows students to also be out of uniform on the bottom. The Lancer Friday one dollar must be **paid in cash** and will be collected in the courtyard lobby as students enter the building. Last week students and staff raised $344!

Final Forms reminder

The School Handbook for the 2021-22 academic year was updated a few weeks ago with Campus Ministry fees, the shorts uniform policy dates, transcripts policies and the Physical Education waiver. Parent and student signatures for acceptance of reading the School Handbook were reset in FinalForms and an email was sent to all students and parents at that time. Both parents and students must login to FinalForms to re-sign the acceptance form for the School Handbook. If you have not re-signed the form, please use the link to FinalForms to sign the form. If you have any questions, please contact Angie Frigge at afrigge@lasallehs.net.

COVID-19 updates

Reference our quarantine guidelines here. We are following the Ohio Department of Health guidance for quarantine after exposure in K-12 classroom settings. Click here for the flowchart.

As a reminder, all students and staff are **required to have a mask** with them when in the building. There will be occasions when everyone will be asked to wear a mask if conditions are warranted (e.g., an all-school assembly in the gym with little space between students or in a class when spacing is not possible and a student or teacher is especially vulnerable), but at this time students are only required to have one with them. In the event that the rise of cases and hospitalizations continue in the area, this new policy will also allow the school to pivot at a moment's notice.

Please complete this survey regarding the vaccination status of your son. If you have more than one student at La Salle, please be sure to include information for each of them. We will not be sharing specific details about an individual's vaccination status with the faculty, but it will help if contract tracing is necessary.

Parents and guardians must keep their children home if they are feeling ill. There are two ways to avoid missing school and extracurricular activities due to quarantine: get vaccinated and/or wear a mask that completely covers the nose and mouth, at all times. The mask-wearing option does not prevent quarantine if exposure occurs at lunch or at extracurricular activities, where masks are not worn. The best way to avoid quarantine is to have your son vaccinated. For those who choose to not get vaccinated, or wear a mask, quarantine rules apply. This situation is very fluid, and can change at any time. Please work with us as we continue to focus on educating our students face-to-face this fall.
