## Meeting Minutes

**Wednesday, October 12, 2022; 6:30 p.m.**

**Attendance:** Aaron Marshall, Larry Lampe, Matt and Tamara Birck, Kisha Dosa, Kathleen Habedank, Gina Reynolds, Tom and Mariellen Rehtin, Julie Etris, Sarah Goldschmidt, Lawanda Ingram, Tanya Kist, Vicki Seng

### 1. Prayer and Welcome

### 2. Principal Report:

- Aaron began by expressing the importance of keeping the lines of communication open. He once again shared his cell phone number, 513-309-8746. He welcomes calls or texts – when one texts, he just asks that the person identify themselves.
- As ambassadors for LHS, Aaron encourages us to call/text or stop in to ask any questions to which we do not know the answers.
- Staff shirts on the first day of school, “Write the Future”
- Big Red Raffle – choice of qty of tickets sold online was discussed (1, 5, 10, etc. - could not customize a random number of tickets)
- Goal/Mission for LHS is for the students, not us, and not for how it used to be. Seniors are only interested in Homecoming and Prom – which is why the mixer was not well attended. Close second is the safety of the students.
- Aaron addressed recent staff turnover

### 3. Board Update:

- Larry Lampe talked at length about the upcoming structural model change
- The board of limited jurisdiction, Archdiocese, and La Salle HS all want to adopt the President + Principal model, which is strategic because this model is rapidly becoming best practice and secondary schools will eventually be mandated to adopt this model.
- The President will be involved with alumni, donors, (past students), as well as future students. The Principal will focus on current students and academics.
- This is now in the first phase – the job opening for President will be posted soon (in the next week or so). They hope to have a candidate by January, 2023.
- Matt Birck is chairing a search committee with the overall goal of long-term stability.

- FAQ's are posted on the La Salle website (About – Board – FAQ's) there is also an e-mail address for parents to ask additional questions not already answered in the FAQ section.
